Two Options for Today's Parishioners:

NEW - Electronic Giving Program

Traditional - Parish Envelope Program

A New Way to Give

Our church is embracing a giving option that may be more convenient for many of our parishioners - Electronic Giving. Beginning in August, this new giving option will work in the same manner as other automatic withdrawals from your checking or savings account.

To sign up for this new giving option and have your donations transferred electronically to the church account on a regular basis, you would simply go online and complete your personal profile. You choose the donation frequency (weekly, monthly, or bi-monthly) and the donation amount for each fund you wish to support.

Important Benefits of Electronic Giving

Electronic Giving makes life easier for you and yields very significant benefits for our church.

Benefits for You:

- The satisfaction of giving to God first
- Easier to fulfill stewardship commitments
- Strengthens participation and support in the church

- Allows you to contribute even when you're away
- Easier personal budgeting
- More secure than bringing cash or checks to church

Benefits for our Church:

- Promotes consistent giving
- More predictable cash flow for better planning
- Less work for office staff
- Secure and easy cash maintenance

Traditional Choices Remain

All registered parishioners will continue to receive envelopes, including envelopes for special collections for a variety of needs. Parish collections will be taken each week as usual. Participants in the Electronic Giving program will receive an "I give of my first fruits electronically" card and place them in the collection basket.

If you do not currently use envelopes, please consider participating in either our envelope program or the Electronic Giving program. Our parish needs your consistent support.
